Welcome to Peking University (PKU) "International Young Scholars Geo-Symposium"! Geo-Symposium provides a unique academic platform for communication and coordination among pre-career scientists at home and abroad in earth science. At Geo-Symposium, outstanding scholars may share their cutting-edge research and creative energies with enthusiastic students and professors on PKU campus, which potentially opens up a window to PKU faculty position applications for competitive scientists.

May 28 to 29, 2021

Network platform: Tencent Meeting

Planetary Geology, Tectonics, Structural Geology, Geochemistry, Paleobiology and Stratigraphy, Seismological Geology, Quaternary environmental changes, Active Tectonics and Geomorphology, Experimental petrology, and Petrology-Mineralogy-Economic geology, etc. Yes! We welcome new cross-disciplinary science.

A qualified applicant should fulfill the following:

- 1) Age under 40 years old.
- 2) Received a doctoral degree from prestigious university or institute, or holding a doctoral degree from a domestic university or institute and have a minimum of one or two years of overseas research experience.
- 3) Equipped with outstanding academic achievements.

-
- 1) Download and complete the application form (Application Form of The Fifth International Young Scholars Geo-Symposium). (Download from website: <https://sess.pku.edu.cn/index.htm>).
 - 2) Send the application form and a Curriculum Vitae to geozhangbo@pku.edu.cn by May 18, 2021.
 - 3) Qualified applicants will receive a formal invitation letter before May 21, 2021.

Chairman of organizing committee:

Lifei Zhang Professor, Director of School of Earth and Space Sciences

Jinjiang Zhang Professor, Vice Director of School of Earth and Space Sciences

Organizing committee:

Bo Zhang, Bin Shen, Cheng Xu, Guibin Zhang, Jinzhuang Xue, Tao He, Liao Chang, Lin Dong, Shuning Li, Wenbo Li, Jiaheng Shen, Qiugeng Li, Pingping Liu, Xi Liu, Qiong Liu, Zeng Lv, Nan Zhang, Yuanyuan Zhang, Ming Tang, Feng Cheng

Conference Secretary:

Bo Zhang, Associate Professor

Bing Shen, Professor

Guibin Zhang, Associate Professor

Yan Li, Associate Professor

Ming Tang, Assistant Professor

Feng Cheng, Assistant professor.
