Announcement of The Second International Young Scholars Geo-Symposium

Welcome to Peking University (PKU) "International Young Scholars Geo-Symposium"! Geo-Symposium is targeted on providing a unique academic platform for communication and coordination among pre-career scientists at home and abroad in geology. As a hallmark at PKU, Geo-Symposium enables outstanding scholars to share their cutting-edge research and creative energies with enthusiastic students and professors on PKU campus, which potentially opens up a window for young high-qualified scientists to faculty position applications at PKU.

Academic lectures, workshops and discussions.

Planetary Geology, Tectonics, Structural Geology, Geochemistry, Paleobiology and Stratigraphy, Seismological Geology, Active Tectonics and Geomorphology, Experimental petrology, and Petrology-Mineralogy-Economic geology, etc.

A qualified applicant should fulfill the following:

- 1) Age under 45 years old.
 - 2) Received a doctoral degree from prestigious university or institute, or holding a doctoral degree from a domestic university or institute and have a minimum of one or two years of overseas research experience.
 - 3) Equipped with outstanding academic achievements.
-
- 1) Download and complete the application form (Application Form of The Second International Young Scholars Geo-Symposium). (Download from website: <https://sess.pku.edu.cn/index.htm>).
 - 2) Send the application form and a Curriculum Vitae to geozhangbo@pku.edu.cn by October 25th, 2018.
 - 3) Qualified applicants will receive a formal invitation letter before November 1st, 2018.
 - 4) The applicants intended to attend the Geo-Symposium should respond with the confirmation note within 5 work days after receiving the formal invitation letter.
-
- 1) November 21st, Registration in the School of Earth and Space Sciences (SESS)
 - 2) November 22nd and 23rd, Academic lectures, workshops, discussions and visiting laboratories at the School of Earth and Space Sciences.
 - 3) November 24th, Departure.
 - 4) Venue: School of Earth and Space Sciences, Peking University, Haidian, Beijing, China.

The School of Earth and Space Sciences will cover the following travel costs for all invitees:

- 1) An economy-class round-trip air ticket from home institute to Beijing;
- 2) Accommodation and meal costs during Geo-Symposium.

Chairman of organizing committee:

Lifei Zhang Professor, Director of School of Earth and Space Sciences

Jinjiang Zhang Professor, Vice Director of School of Earth and Space Sciences

Organizing committee:

Bo Zhang, Liao Chang, Lin Dong, Bin Shen, Shuning Li, Wenbo Li, Qiugeng Li, Xiaoli Li,
Pingping Li, Xi Liu, Qiong Liu, Zeng Lv, Cheng Xu, Jinzhuang Xue, Guibin Zhang, Nan Zhang,
Yuanyuan Zhang, Thomas Berndt

Conference Secretary:

Bo Zhang, Associate Professor
